Types Of
Injuries/Fatalities

Falling victim to serious injuries as a result of someone else's negligence can be an extremely difficult and stressful experience. One of the first questions that arises following a personal injury incident is this: "Do I need to hire a lawyer?"

Despite all the crazy lawyer marketing and misinformed advice from friends, family members, and health care workers, the true answer depends on a number of factors — all of which are discussed in ... [CONTINUE READING](#)
